Video multiplexer

Specification	Order No.	Packing unit	PS	EAN
	1224 00	1	10	4010337229124

Features

- The video multiplexer bundles the video signals of door stations, DCS-camera gateways, and DCS-IP gateways.
- A video multiplexer can merge the video signals from three door stations with colour cameras. Using two video multiplexers, the video signals from up to 5 door stations can be merged.

The combination housing makes three mounting types possible

- Surface-mounted (in a standard junction box).
- Flush-mounted (in a device box).
- As a DRA device (using the DRA adapter enclosed).

Technical data

Power supply: DC 26 V ± 2 V (by 2-wire bus)

Connections
- 2-wire bus IN: 6 x screw terminal
- 2-wire bus OUT: 2 x screw terminal

Ambient temperature: -25 °C to +70 °C

Dimensions
- Video multiplexer: W 36 x H 52 x D 27 mm

Notes

- No further configuration is necessary during commissioning because the video multiplexer automatically adapts to the existing mains supply.

Illustrations are similar and may deviate from originals.

GIRA Data sheet

Scope of supply

- A DRA adapter is included.
