

Slat

Specification	Order No.	Packing unit	PS	EAN
anthracite	1346 28	1	17	4010337346289
colour aluminium	1346 26	1	17	4010337346265

Features

- Aluminium slat with transparent plate.
- The light element of the Gira energy profile can be changed individually using the slat.
- The slat is simply replaced by a standard diffusing plate.
- As the slat can be inserted in either direction, the light can be directed toward an object or a path.
